

Dear Customer:

As you were previously notified, the City of Littleton has increased the sewer rate by \$30.00 per year (\$2.50 per month per customer) effective January 1, 2008 (retroactively). At the regular meeting of the Roxborough Water & Sanitation District on July 16, 2008, the Board of Directors made a decision to increase the sewer rate \$2.50 per month per customer, effective June 25, 2008 and is reflected on the July 21, 2008 billing. The District will not collect retroactive to January 1, 2008. The sewer bill amount for each residential unit will be \$35.75 per month. The District is continuing to explore any remedies we might have regarding this sewer rate increase from Littleton.
